Students should remember that they shouldn't be spraying deodorants or perfumes in the school building. Whilst we all understand the need to be smelling nice – the spray does have a detrimental effect on staff and students who have asthma, which could obviously be life threatening.

CLUBS

BVC Equestrian Team

You don't need to own a horse or be an amazing rider! You just need access to a horse and know some basic skills.

There will be fun termly competitions of both riding and non-riding challenges so all abilities and ages can get involved.

Come to the meeting to find out more!
