24<sup>th</sup> April 2017

**Mr D Cooper  
Principal**

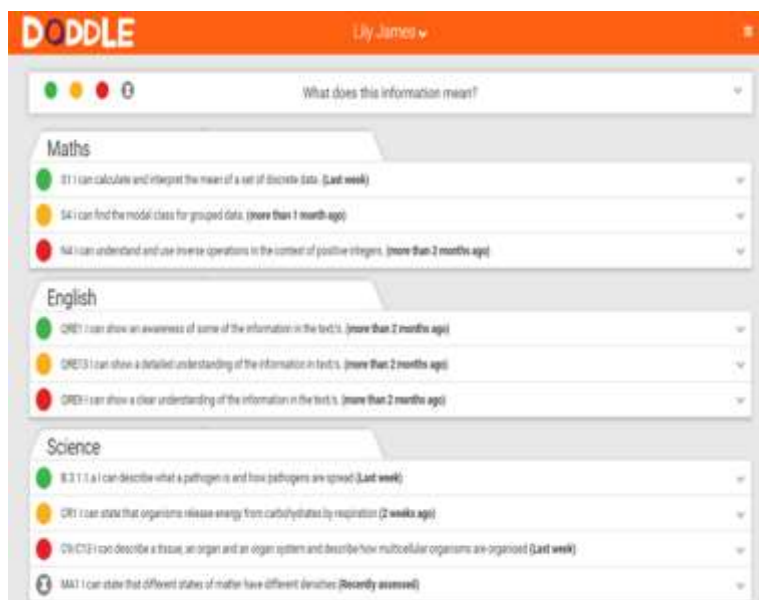

Dear Parent/Guardian,

On Friday 28<sup>th</sup> April, you will receive a progress check and copy of your child's year 10 practice examination results. In addition to this, you will be able to access your child's report via the Doodle system which will show the skills that have been assessed for each subject and whether your child has been judged as novice (red), intermediate (amber) or secure (green) by the subject teacher. This will give you detailed information about the skills that each subject is focusing on and highlight skills that need developing.

## **Accessing the Parent Portal**

To set up your account, go to [www.doddlelearn.co.uk](http://www.doddlelearn.co.uk) and click on the Doodle Parent tab to the bottom left of the screen. You will need an email address and a sixteen digit number – the parent key – which will be located on your child's progress report. You will be able to access your child's progress check electronically via Progresso on Friday. **The Doodle Parent Portal will be open for you to view until the 12<sup>th</sup> May.**

Below is an image of what you can expect to see in the Parent Portal report:

If you have any questions about the target, current step or Doodle statement for a subject, we strongly advise you have a conversation with the classroom teacher or head of department in the first instance. If you have questions about logging in or the parent portal key, contact the office.

Yours sincerely

  
Philip Church  
Assistant Principal
