Mr D Cooper
Principal

27th February 2017

Dear Parent/carer

Year 10

We feel that it is important that students and parents are kept informed about deadlines that students are expected to meet and details about the courses they are following.

As such, this morning all year 10 students have been given a paper copy of the attached plan which contains all the key dates between now and July. Your child should use the plan to help with planning revision for any assessments e.g. Year 10 trial exams, GCSE English Literature, GCSE Statistics. The plan also gives dates of events coming up such as college taster days.

Also attached is an information booklet for parents. This is an updated version of the one issued at the Year 10 Parents' Information evening on 12th October and contains a copy of the Year 10 trial exam timetable, guidance about what will be covered in these exams, the most up to date information about deadlines and revision guides.

If you have any comments that will help with improving the information contained in both documents, or wish to speak to me about the contents of the booklet, please do not hesitate to contact me.

Yours sincerely

Miss R Hiels
Transition Co-Ordinator
