Principal**

28<sup>th</sup> September 2016

Dear Parent/Carer

To help you to support your child's learning in science we are happy to offer a heavily discounted GCSE revision guide for Additional Science. We have selected CGP revision guide as it is exceptionally good value, and has been shown to raise standards of understanding and achievement. The revision guides also include a free workbook which allows students to check their understanding through practice questions.

The book is available in two additions Higher or Foundation and your child's science teacher will help decide which is best suited. Due to bulk ordering we are able to provide this for £5.50 (RRP £9.95). If you would like to purchase a copy please return the slip below before Wednesday 12<sup>th</sup> October. After this date you will only be able to purchase the revision guides through independent book stores.

Yours faithfully

Mr J Davison  
Head of Science
