**Year 10**

Dear Parent/Carer,

As part of internet safety week in school next week I shall be doing assemblies across the school on keeping safe online.

I would like to show the video clip about a girl in Leicestershire who was groomed, and then subsequently raped and killed (link below). The clip is for a 15+ age group if it were shown at a cinema.

I feel that all our year 10 students should actually see the clip, despite some not yet reaching 15. For that reason I am asking if you could watch the clip and reply to say that you give permission for them to do so in assembly on Friday 10<sup>th</sup> February. Any students where we do not have permission will be able to stay with their tutors at tutor time.

I feel this is an important message for all young people to safeguard themselves and therefore I will be sending out more information next week to all parents regarding internet safety.

Please can replies be sent into the school office by Wednesday 8<sup>th</sup> February.

Yours sincerely

Ms V Poulter  
Vice Principal  
Designated Safeguarding Lead
