Mr D Cooper
Principal

16th January 2017

Dear parents and student,

Year 8 exams – 20th and 21st February 2017

As part of the assessment procedures at the college, year 8 will be sitting exams in the core subjects of English and mathematics and science. This will allow all students to experience sitting examinations under the formal conditions required in their final GCSEs. Therefore the exams will take place in the Main Hall where the majority of GCSE exams are held. The timetable is below.

For the morning exam, the students need to assemble in the Drama studio at 9am. For the afternoon exam they need to assemble in the Drama studio at 1.30pm. Students should leave all belongings in their locker especially mobile phones, and only bring to the exam room those items needed for the exam. For their GCSEs students need to use a clear pencil case and a black pen so it would be good practice for students to start using these items now.

If you have any queries regarding these exams, please contact me using the details below.

Sue Jenkins
Examinations Officer
