Year 8 Hockey – 31.10.17

Tournament at Bottisham Village College.

Team: Molly Brundle, Johanna Anderson, Evelyn Marshall, Emily Castle, Millie Elliot-Molden, Lucy Friedlander, Nadia Van Maurik and Aimie Taylor (Captain).

Our first game was against Netherhall which we lost 1-0, but we didn't lose our team spirit as we went on to draw 0-0 against Bottisham in the second game. Next we held St Bedes to a 0-0 draw, thanks to some great saves by Lucy in goal. Our fourth game was against the toughest competition of the tournament, St Marys, which we won 1-0 with a goal from Aimie. Unfortunately we didn't manage to continue our success in our next game against Cottenham which we narrowly lost 1-0. In the final game we held Soham to a 0-0 draw.

Thankfully the rain held off, though it was a little chilly in between games. We are still waiting to find out our overall position in the competition. We were slightly disappointed not to score more goals, but were pleased with our performance as a team, and all thoroughly enjoyed the experience.

Thank you to the PE staff for organising the tournament and giving up their time to help and support us in our final tournament of the season, we look forward to developing our skills for year 9.
