23rd March 2018

It was the turn of our younger students to receive visitors last week – with the added twist that they didn't know who they were meeting! Our careers advisors Form the Future ran a session of [What's My Line](#) for Year 7 students to find out more about a wide range of careers.

GCSE exams started last week with the Dance performance taking place. The best of luck to students sitting their Art and Drama exams this week.

A reminder that we have an [information evening](#) for our Year 11 students and their parents on Wednesday. Staff will be discussing the countdown to the main exam period and how to manage it well. Everything from revision timetables to healthy eating and stress management will be covered so please attend if you can.

Our on-line Communications survey will close at the end of this week so please try and spare two or three minutes to complete it. We will share our findings with you, and any changes that we make as a result, early next term. You can access the survey [here](#).

Letters issued via students and through Parentmail this week include:

- Year 9 Spring Progress Check
- Anglian Learning Update From Kate Evans, CEO
- An Inspector Calls - Year 9
- Reminder - Preparation For Exams Evening Wednesday 28th
- Digital Parenting Magazine
- Spring Term Assessments - Message From The Maths Team

Should you have any queries concerning your son or daughter, please do contact us. Your first port of call should be your child's tutor whose email address is listed on our [website](#).

As ever, any feedback you can give is very welcome.

Duncan Cooper, Principal.
