

WEEKLY NOTICES

Congratulations to all the winners at last week's BVC Sports Awards!

WEEKLY NOTICES

Felicitations & Felicitaciones to the 10 students who competed in the finals of the BVC MFL Spelling Bee this week: Zoe Button, Amelia Parsley, Rosina Summers, Emma Silva, Jessica Mawditt, Lily Harrison, Lottie Bond, Alanis Jacintho, Anna Wylie and Emma Jones.

The overall winners were Anna Wylie for French and Emma Silva for Spanish.

All Year 7 pupils started the competition back in September and there have been various rounds leading to the final.

The 10 finalists had to learn 150 words in either French or Spanish and had 1 minute to translate and spell (using the French/Spanish alphabet) as many words as possible.

Well done to the BVC scientists who took part in a Cambridgeshire schools competition this week. Lottie Bond reports:

I was one of 6 students from BVC to compete in a week-long science competition at Swavesy Village College. 24 schools took part on different days through the week. We worked really well together as a team but we won't know our results until next week.

We had two hours to complete three challenges and a quiz – two students each doing the Biology, Chemistry and Physics challenges. The theme of the competition was the FIFA World Cup with the activities based around the on-going tournament. Biology looked at anti-doping tests; Chemistry investigated the metal awards; Physics tested reaction times; and the quiz was based on information from previous World Cup tournaments.
