5th October 2018

We have had a number of visitors in to BVC this week – but none more delighted than one of our parents who popped in to congratulate tutor group KJM who organised a charity Bake-Off and Cake Sale on behalf of her son. The event was supported by students across the school and raised over £200 which will go towards the cost of a new sports wheelchair for one of our year 8 students.

The school Prom was packed on Wednesday evening when local companies and sixth form colleges attended our annual Post 16 evening when Year 11 students and their parents were able to discuss their options for moving onto further education and apprenticeships next year. It was also a great opportunity for our new Year 7 students and their parents to have an informal 'settling-in' chat with their form tutors.

We have a new school crossing lady. Can you please remind students that she is there to help them cross the road! I do realise that our older students don't always need help to cross but in crossing the proper way they are setting a good example to the younger primary and pre-school children – it could mean the difference between the young ones staying safe or dashing out in front of a car.

As promised in last week's mailing, there are now photographs of our Year 7 student trip to Go Ape on the school website.

Letters issued via students and through Parentmail this week include:

- Maths Revision Guides
- Doodle Intervention Day - Friday 19th October
- Online Sign Up For Clubs
- Spelling Bee

Should you have any queries concerning your son or daughter, please do contact us. Your first port of call should be your child's tutor whose email address is listed on our [website](#). As ever, any feedback you can give is very welcome.

Vickey Poulter, Head of School.
