Dear parent/carer of

This year the College's Year 10 Examination Period commences on Monday 28th January. We believe these exams are important preparation for the GCSE exams that are taken this and next summer. They aim to replicate the final examinations as far as possible and are subject to the same rules and regulations as the GCSE exams, all of which can be viewed on the school website. Therefore, no electronic devices, mobile phones, wrist watches or bags can be taken into the exam venue. Students must have the right equipment for each exam. If in doubt about what is required students should talk to the subject teacher. All equipment must be in a clear pencil case. Students are expected to assemble in the drama studio at least 10 minutes prior to the start time of each exam. They do not need to register with their tutor in the morning. Please note that not all of the afternoon exams start at 1.40pm.

The results achieved by students help the College to identify areas for development and allow us to target students for the most suitable placement in intervention groups. This will maximise the student's chances of achieving the best grades possible in their final exams. If you have any queries regarding the exam procedure, please contact the exams officer at the following email address: sjenkins@bassingbournvc.net

The English exams and Art exam will take place later in the spring term. Please find the detail of the timetable overleaf.

Yours faithfully,

Sue Jenkins
Exams Officer
