Dear Parent/Carer

## **Year 7 - Curriculum Day – 18<sup>th</sup> November 2019**

On Curriculum Day Year 7 students will be working with the Languages department where they will learn about other languages and cultures which they do not study in their normal language lessons giving students the opportunity to broaden their horizons as they learn about new cultures and the history of the countries where these languages are spoken.

They will also learn some key vocabulary so that they are able to have short conversations. There will also be the opportunity to make links between the language they study in normal lessons and the languages we will look at on Curriculum Day. Students will have 3 100 minute sessions and learn about a different language and culture in each of the 3 sessions. The Languages will include Portuguese, Italian, German, Catalan and Japanese.

There is no cost attached to the day. If you wish to ask any questions about the day please do not hesitate to contact Ms Chalmers who will be happy to address any questions you may have

Yours sincerely

J Brock  
Deputy Principal
