## Year 8/9 Girls National Cup Football

The girls made the long journey to Epping to play in the 3rd round of the National cup. On a cold day, we made a slow start, neither side really dominating possession. 10 mins in that all changed and Bassingbourn were 1-0 ahead. After that it was fairly one sided, with Bassingbourn dominating possession and territory - the BVC goalkeeper only touching the ball sparingly. Bassingbourn 5-0 at half time.

Second half was similar- the ball rarely getting into the BVC half. Bassingbourn scored another 5 in the second half. Final score 11-0 (1 own goal). Anneliese scored 5, Amber 3, Elle 2.

The whole team played excellently, really using the space well and creating some really good chances. Player of the match was Anneliese for her determination and movement in midfield, as well as a wonderful second goal. Maddie was solid in defence, making good decisions, Iona ran tirelessly (and went in goal second half), Cerys covered the right side well and nearly scored 2, Elle was lively and a constant threat in the second half, Rosina and Loen did not allow anyone past them in defence, Olivia, Imo and Hannah had a good battle with their opposition and were able to pass the ball with confidence. Hattie was assured and composed, both in her interception and delivery of the ball. Sophia made some strong tackles and won possession, Jess was influential in attack and ran hard and Amber made some excellent passes, with some well taken strikes from distance.

Next round is Neale Wade- the school that beat us in the quarter final last year. This time will be different.
