Ms V Poulter
Principal

20th August 2020

Dear Student,

I'm delighted to be able to share your GCSE results with you today. These are a testament to your hard work and perseverance over many years.

As announced on Monday by OFQUAL the GCSE results are based on the Centre Assessed Grades (CAG) that were sent by the college to the exam boards. Vocational results have taken moderated coursework and exams previously taken into account in the award given by the exam board.

If you have any questions about the grades allocated please e-mail these to office@bassingbournvc.org. Please do not contact individual teachers as we wish to deal with questions concerning exams centrally. In addition OFQUAL have issued guidance that can be found on their website

https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/909525/Information_for_students_about_malpractice_20200814_1218_-_access.pdf

OFQUAL's current position is that there is no right of appeal for students other than:

- Data error – where the centre made a genuine data error, for example confusing the grades of two students with similar names.
- Bias and discrimination - where the student has evidence that the centre or a teacher showed bias or discrimination.

Students should check the College information in this pack to confirm how to enrol at your college. If you have any questions or need additional guidance about your college placement please contact Miss Hields by e-mail rhields@bassingbournvc.org to arrange an appointment.

Congratulations again for everything you've achieved in this most difficult of years and I wish you the very best in your future

Yours faithfully,

Ms V Poulter
Principal
